

Leaf bin

A bin for the autumn leaves

© Envato.com

The leaf bin is a service provided by the ESB to help you dispose of larger quantities of leaves. The leaf bin is a seasonal bin and is only issued and emptied in the autumn of each year.

What does the leaf bin cost?

The leaf bin is a seasonal bin for the months of October, November and December. The ESB charges **24 euros** for this period. We charge 10 euros each way for transporting the bin.

What can be put in the leaf bin?

The leaf bin is only for leaves. Please make sure that no waste such as cigarette butts, plastic waste or dog excrement ends up in the leaf bin. **The contents of the leaf bin are composted.**

When is the leaf bin emptied?

Please leave the leaf bin at the street **by 6 a.m.** on the day the organic waste bin is emptied. You can find out when the bin will be emptied on your street in the [waste navi](#) and in the ESB app([iOS](#) and [Android](#)).

How do I get a leaf bin?

We will be distributing the leaf bins **from September onwards** at the recycling centre on Schaffeldstraße. The distribution dates will be announced in the media. You can simply collect your leaf bin; no registration is required. From the beginning of January, the bin should be returned, cleaned. If you are unable to transport the bin yourself, we will arrange transport for you. We charge 10 euros for both delivery and collection.

To save you the trouble of transporting them, you also have the option of storing the leaf bins until the next season. If you have space for the bin, this will save you a fair bit of driving. In late summer, before the next season begins, you will receive a seasonal sticker from us, which you should please stick onto the bin before the first collection.

What happens to the foliage of urban trees?

In Bocholt, the cleaning of the pavements is generally the responsibility of the residents, which also applies to leaves. In the case of leaves from municipal trees, we support you with the cleaning obligation. In this case, the leaf bin is free of charge for you. Only a requested delivery of the leaf bin will be charged with 10 Euro / way.
