The fast-paced flight through the jungle at a height of 45 metres! Dynamic, powerful ride with up to 120 km/h and forces of 4G!

The community experience

Unique theming with real torches, original fire-breathing voodoo masks, real palm trees and original bamboo! Fire, fog and sound effects coordinated with the ride! Staff dressed in safari outfits!

Community experience thanks to square gondola facing inwards! Unique on-board video and sound system with LCD flat screens at the shop: the action from the gondola is broadcast live to the fairground. Particularly smooth running of the shop ensures a pleasant ride for the whole family (already from 1.40 metres height).
