

Action House

HOW IS THE RUNNING BUSINESS DOING?

BERLINER PLATZ

Skill, exercise and funfair fun across two floors

© Schmelter

Schmelter's 'Action House' obstacle course brings some excitement to the funfair. Spread over two storeys, it features treadmills, bridges, stairs and various obstacles, along with light and sound effects. The obstacle course is around 13 metres wide and 10 metres high - balance and agility are essential here.
