

Circus Circus

HOW IS THE TRANSPORT SECTOR FARING?

✉ MARKET SQUARE

A cheerful atmosphere all round

© Skeon

Gründler's 'Circus Circus' really liven things up at the funfair. A total of up to 48 people can ride in the 12 gondolas. As the gondolas and the ride itself spin in different directions at the same time, the ride is sometimes lively and at other times surprisingly fast. Music and lighting effects complete the fairground experience.
