

Roue Parisienne

WHERE IS THE RIDE LOCATED?

☒ BERLINER PLATZ

Up high with the best views

© Burkhard Kleuser

Burkhard Kleuser's 'Roue Parisienne' takes you high up: at a height of around 48 metres, you can relax as you go round and round, whilst enjoying a fantastic view over the funfair, the town centre and Bocholt. The Ferris wheel has 36 gondolas - 18 open and 18 enclosed - each with room for up to six people.
