

1001 nights

WHERE IS THE CHILDREN'S CAROUSEL?

☒ GASTHAUSPLATZ

A little journey straight out of *One Thousand and One Nights*

© Breuer

Breuer's 1001 Nights is a colourful ride for the very youngest children. With an oriental flair, the little passengers set off on vehicles, motorbikes and on the backs of animals and mythical creatures. In lovingly designed vehicles, they take a leisurely ride round and round through a colourful backdrop. Lights, music and lots of little details make the ride a real experience.
