Sewer network on Don Bosco Street is being expanded

Partial closure from 10 July // Work to last about four weeks

Due to necessary extension work on the sewer system, Don-Bosco-Straße will be partially closed from next Monday, 10 July. However, according to the city, the Textilwerk Weberei (Textile Museum) will remain accessible and traffic will be diverted via a residents' path to the east of Don-Bosco-Straße.

The Don-Bosco-Straße will be closed at the height of house number 8. Residents have already been informed about the measure.
