Announcements

Temporary closure at Heinrich-Hillermann-Weg

Pedestrians and cyclists on Heinrich-Hillermann-Weg in Biemenhorst will have to take a diversion through the settlement for about two weeks starting next Monday. The reason is the sewer work on Biemenhorster Weg.

The footpath and cycle path next to the sand playground to the south will be closed. Pedestrians and cyclists are asked to walk around the closed area through the settlement. The closure is expected to be lifted again on 14 July.
