Children and youth

Big Sports & Culture Action Day on Saturday in Langenbergpark

Successful action series continues // 45 hands-on stations in Langenbergpark

Next Saturday, 9 September, there will be a highlight on the programme for children, young people and families: at the big Sports & Culture Action Day there will be 45 hands-on stations and stalls and lots of live music in Langenbergpark from 2 pm.

The "Sport & Culture" action day takes place every two years in Bocholt, most recently in 2021. Visitors can look forward to many hands-on stations and an attractive stage programme from the fields of sport, movement, dance and music.

Whether it's surfing, bungee trampolining or creative activities from the Kulturrucksack NRW project - there's something for everyone. As always, all the activities on offer are completely free of charge. Those who have actively participated in at least 10 stations will also receive a great medal combined with the opportunity to participate in a raffle, where the main prize is a new bicycle.

The event is once again jointly organised by the City of Bocholt (Department of Culture and Education and the Department of Youth, Family, School and Sport), the Stadt-Sport-Verband Bocholt and the Wirtschaftsförderungs- und Stadtmarketing Gesellschaft Bocholt mbH & Co. KG. The event is supported by Volksbank Bocholt and BEW and, of course, many Bocholt clubs and groups from the fields of sport, youth and culture.

Between 2 p.m. and 6 p.m. there will also be food and drinks available at several stalls in Langenbergpark, so there will be an opportunity to fortify yourself and recharge your batteries between the numerous activities.

Complete offer on the website

A flyer with all the stalls and activities as well as an overview of the stage programme is available on the municipal website at www.bocholt.de/sportundkultur.
