Cinema film World Children's Day: "On the way to school".

Wednesday, 20 September, at 5:30 pm at the Kinodrom Bocholt

On Wednesday, 20 September 2023, the Adult Education Centre Bocholt-Rhede-Isselburg, the JUNGE UNI in Bocholt and the Bocholt Municipal Library will celebrate World Children's Day at the Kinodrom Bocholt. The documentary film "On the way to school" will be shown. Not only children are invited. "The film is an experience for the whole family," the organisers promise.

Content

The 77-minute documentary film (2023) by Pascal Plisson impressively presents the arduous and perilous journey to school of several children from different countries around the world. The impressions, pictures and contributions show the hurdles that have to be overcome in order to be allowed to experience education. Surely this will lead one or the other to reflect on the self-evident nature of our participation in education and to appreciate school from a different perspective.

The film is offered at a special rate of 6 euros. Advance ticket sales and trailer at www.kinodrom.de.
