## Digital scavenger hunt through Fildeken-Rosenberg

### **Puzzles, tasks, mini-games - pupils of the Städtische Gesamtschule Bocholt create exciting cell phone rallye**

To kick off the Easter vacations, students at Bocholt Comprehensive School created an "Actionbound" - a kind of digital scavenger hunt - through the Fildeken-Rosenberg district. Here's how it works: Simply download the free "Actionbound" app from the app store or google playstore on your smartphone, search for "A bird's dream in the neighborhood" and install it - and nothing stands in the way of an exciting tour through the neighborhood. The starting point is the courtyard of the comprehensive school.

#### **Tasks, puzzles and mini-games**

There is a lot to discover on the scavenger hunt: mini-games, photo tasks, exciting and funny puzzles, and a quiz. It is advisable to download the Bound on your home W-LAN beforehand to save data volume.

#### **Spring greetings and gifts**

In addition, greeting cards with spring greetings and instructions for the "Actionbound" will be distributed in the neighborhood before Easter. Students from the comprehensive school also made Easter gifts for seniors in the neighborhood.

#### **Background and supporters**

The campaign is supported by the so-called Verfügungsfonds, which is provided by the federal government, the state of North Rhine-Westphalia and the city of Bocholt as part of the "Socially Integrative City" urban development program.
