Municipal e-bike can now be booked at the "House of Children

"Ida" is the name of the city of Bocholt's e-load bike, which can be borrowed free of charge by interested citizens, especially families with younger children. The cargo bike has now changed its location: It can be booked and picked up at the "Haus der Kinder" (Dinxperloer Straße) by calling 02871 46120. Reservation requests are also possible by e-mail [hausfuerkinder\(at\)jusa-bocholt\(dot\)de](mailto:hausfuerkinder(at)jusa-bocholt(dot)de).

The cargo bike can be borrowed free of charge for a maximum of three days in a row. "Ida" is a practical transport alternative. Up to four children can be taken along and shopping can be transported. The bike is not only equipped with a rain roof and seat belts, but also with an electric drive.

*Lastenrad Ida ist beim "Haus der Kinder" buchbar.
