New family planner published by the Kinderschutzbund

Special sale on Saturday // Clubs and organisations present themselves in it

It's here: the new family planner for 2024, published by the Bocholt branch of the Kinderschutzbund. A special sale is planned for Saturday in the arcades.

The Kinderschutzbund, Bocholt local association, is once again publishing a family planner for 2024. The project is supported by Stempel Meyer, Stadtparkasse Bocholt, Bocholter Energie- und Wasserversorgung (BEW) and the city of Bocholt.

All clubs, institutions and organisations in Bocholt that are involved with children or young people were asked in the press to contribute to the design. The result is a colourful mix of providers in Bocholt who present themselves on the twelve pages of the family planner.

The birthday calendar, which has become very popular, is also included again. Next Saturday, 16 September, there will be a special sale of the family planner in the arcades in Bocholt from 10 am to 4 pm.

In addition, the family planner is available at the following sales points:

- **Kinderschutzbund**
- **Family education centre**
- **City library**
- **Tourist Information Bocholt**
- **Stamp Meyer**
- **Shopping Arkaden, Infopoint**

The planner is available for a nominal fee of 1 Euro.
