

01. October 2025

City Hall

Finance department not available on 2 October

Remodelling work in the city administration on Kaiser-Wilhelm-Straße - Finance department relocates

Due to renovation work, the Finance department will be moving to other rooms within the city administration on Kaiser-Wilhelm Straße on Thursday, 2 October 2025. On this day, the department will therefore not be available by telephone or in person.

Citizens who wish to make payments in cash on this day can contact the information centre. If necessary, a contact person from the Finance Department will be called in there.

On Monday, 6 October (after the public holiday and weekend), the Finance Department will be available again as normal - then already at its new location within the city administration. All other services of the City of Bocholt are not affected and are available without restriction.
