Telephone extension: Administration now four-digit

The city of Bocholt has changed its telephone numbers. The core administration has new, four-digit extensions.

For example, the **citizens' office at Neutorplatz** can be reached at **02871 953-2400**, the **youth welfare office centrally** at **02871 953-2233**. Citizens can find the new numbers at the top of the notices and on the municipal homepage at www.bocholt.de.

The telephone number of the general information service of the city administration remains unchanged at 02871 953-0.

The Bocholt city administration has new telephone numbers - including the citizens' office on Neutorplatz.
