Bocholt. Win a Bocholt voucher worth the value of your receipt from Bocholt city centre!

After last year's great success, there will be another chance to win back the value of your shopping in Bocholt city centre in the form of Bocholt vouchers in 2026. Every person of legal age who shops in a retail store, uses a service or consumes in a restaurant within the Ring in Bocholt city centre on the three campaign days from 11-13 June and sends a photo of the corresponding receipt with their name by email to [gewinnspiel\(at\)bocholt-stadtmarketing\(dot\)de](mailto:gewinnspiel(at)bocholt-stadtmarketing(dot)de) will be entered into the big lottery pot. Closing date is 13/06/2026 at 23:59.

Important: Keep your receipt safe!

The lucky winners, who will be drawn from all entries at the end of the campaign, will be contacted by City Marketing and the purchase value will be refunded in the form of Bocholt vouchers. It is important that the receipt is kept in a safe place, as it must be presented in order to receive the corresponding Bocholt voucher.

All points of acceptance of the Bocholt voucher can be found at www.bocholt-gutschein.de .

If you don't get lucky this time, you can still buy the Bocholt voucher conveniently online or as a voucher card at the Tourist Information Centre in Nordstraße.

Detailed information and the applicable conditions of participation can be found at www.bocholt.de/cashback .

Cashback is a campaign organised by Stadtmarketing Bocholt and the ISG Altstadt Bocholt as well as the Shopping-Arkaden and Neutorplatz advertising associations and is supported by stadtwwerker GmbH.
