## City Run: Only a few remaining places available

There are currently still a few places available for the next edition of the Bocholt City Run on 6 May 2023. "We can offer places for both the '10k' and the '5k'," says Andreas Stockhausen from the organisational team of the Bocholt City Run. Until 28 February, the registration fees of 12 euros for the 10km run and 11 euros for the Everyman run are still valid. "From 1 March, we will increase the entry fees to 15 euros for the 10km run and 14 euros for the Everyman run," Stockhausen adds.

The organisers still have a little treat up their sleeve for one of those who still decide now. The popular start number 1000 will not simply be given away this year, but raffled off.

# Registration & Info

From 1.3. it will be more expensive // Start number 1,000 will be raffled off
