Bocholt. "This event is already sold out - in mid-May - with 2000 spectators, which speaks for the success of this series and for Phil", says city marketing employee Gisela Bollmann, who organises the event.

At the WattExtra Open Air, the band "PHIL - The Genesis & Phil Collins Tribute Show" will take to the stage and present the unmistakable sound of the British megastar and his legendary band Genesis.

SNOB will once again provide the best party atmosphere as the support act. The concert starts at 7 pm, admission is from 6 pm.

The eleven-piece band Phil, led by charismatic singer Jürgen "Phil" Mayer, is regarded as one of the most authentic tribute shows in Europe. Their repertoire includes all the hits by Phil Collins and Genesis - from classics such as "Easy Lover", "Another Day in Paradise", "Invisible Touch" to real fan favourites. The band from the Karlsruhe area has been thrilling audiences for years with their detailed live shows - not only in Germany, but also in Italy, France, Houston and the Benelux countries. Even Phil Collins himself was impressed: he congratulated the band on their tenth anniversary and expressly recommended their performance to all fans of his music.

The event is sold out - tickets are no longer available.
