Does Bocholt crack the 500,000 kilometre mark?

Final spurt in the nationwide STADTRADELN campaign until Sunday, 21 May // Data can be added until 28 May

The nationwide campaign "STADTRADELN - GEMEINSAMAM FÜR EIN GUTES KLIMA" is entering its final spurt in Bocholt and will run until next Sunday, 21 May. Cycled kilometres can still be entered after the end of the campaign until 28 May. The city of Bocholt draws your attention to this.

2,520 participants have "cycled" 496,000 kilometres for Bocholt so far. Will the 500,000 mark still be broken by Sunday? All information and the current mileage is available at www.bocholt.de/stadtradeln .

This year in Bocholt, great prizes will be raffled off among all those who have cycled more than 150 km by the end of the day. The prizes are a travel voucher worth 1,000 euros and a balcony power station in the same price category. Both prizes were provided by local sponsors. Those who have cycled more than 100 km over the course of the three weeks will be entered into a prize draw to win three vouchers for the Biomarkt Bocholt (worth 100 euros each).
