Ascension Day - Postponements in refuse collection

Empties before public holiday as usual // Thursday empties postponed to Friday // Friday empties postponed to Saturday

The ESB Waste Advisory Service would like to point out that the waste containers must generally be placed at the street by 6 a.m. on the day of collection.

The Entsorgungs- und Servicebetrieb Bocholt (ESB) has announced that the Ascension Day holiday after 18 May will cause a change in the waste collection dates: the residual waste bins, yellow bins and paper bins in the J/Z areas, which are usually emptied on Thursdays, will not be collected until Friday. The Friday residual waste collection will be postponed to Saturday. The emptying before the public holiday will take place as usual.
