Green collection point paused until 29 October

Parking lot "Unter den Eichen" is parking area // Bring green waste to the recycling center

This year, the additional collection point for green waste at the parking lot "Unter den Eichen" will not be available until October 29, as the parking lot is needed as a parking area for carnies. However, citizens can bring their green waste to the recycling center instead, informs the city of Bocholt.

From October 29 to November 26, the additional collection point will then be open again on Saturdays between 9 a.m. and 12 p.m. as usual. In the meantime, the Entsorgungs- und Servicebetrieb (ESB) recommends bringing green waste to the recycling center on Schaffeldstraße.

Alternatively, small quantities up to a maximum of 2 cubic meters can be brought to the Entsorgungsgesellschaft Bocholt (EGB) on Saturdays from 8 a.m. to 12 p.m. There is a charge for delivering more than 2 cubic meters there.

*Zusätzliche Grünabfälle, wie herabgefallenes Laub, können wieder ab dem 29. Oktober
"Unter den Eichen" abgegeben werden*
