## Postponements in refuse collection after the holiday

### Collection one day later in each case // Public holiday next Monday

Next Monday is 1 May. The city of Bocholt has announced that the dates for refuse collection will be postponed due to the "Labour Day".

As the Entsorgungs- und Servicebetrieb Bocholt (ESB) informs us, the dates of the refuse collection will be postponed due to Labour Day on 1 May. They will be one day later after the holiday.

The grey residual waste bins as well as the paper bins in areas P to T/Z and the yellow bins in areas F to J/Z are affected by this regulation.

The waste disposal and service company points out that the waste containers should generally be ready on the street by 6 a.m. on the day of collection.
