Postponements in waste collection due to upcoming public holidays

Due to the Christmas holidays, there will be delays in waste collection.

Entsorgungs- und Servicebetrieb Bocholt (ESB) would like to point out that there will be no waste collection on Christmas Day (Monday, 25 December). The collection of residual waste bins in District 1 will be brought forward, which means that the bins will be emptied on Saturday, 23 December. The same applies to the yellow bins in district F and the paper bins in district P.

The residual waste bins in districts 2 to 5 will be collected one day later after the holidays, as will the yellow bins in districts G to J/Z and the paper bins in districts R to T/Z.

All information can be found in the ESB waste calendar (www.bocholt.de/abfall-navi) or in the waste app.

The waste bins must generally be ready at the street by 6 a.m. on the collection day.

The ESB recycling centre at Schaffeldstraße 74 is open on Saturday 23 December and on the day before New Year's Eve (Saturday 30 December) from 9 am to 1 pm.
