Disposal company

Reiner Hei takes his retirement

Has worked for the waste disposal and service company for 26 years

Rainer Hei, who was born in Bocholt, will take his well-deserved retirement on 1 May 2026. Most recently, he worked in cemetery maintenance.

After training as a baker, Rainer Hei initially worked as an apprentice at the Bocktenk company and then moved to Lebo Trenwerke as a woodworker. As he wanted another career change, he applied to the city of Bocholt in 1999 for a job in the area of green space maintenance. From October 1999, he worked in the cemetery area.

In addition to general work at the cemetery on Blcherstrae, his main tasks included driving the escort vehicle for the cemetery excavator in preparation for burials.

The city of Bocholt would like to thank Reiner Hei for his reliable work for over 25 years. Colleagues at the ESB wish him all the best for his retirement and thank him for his many years of trusting co-operation.
