Shifts in waste collection for the Bocholt funfair

Current changes to waste collection

Entsorgungs- und Servicebetrieb Bocholt (ESB) would like to point out that there will be shifts in waste collection due to the funfair Monday on 20 October 2025. There will be no emptying on the Monday of the fair, which means that all emptying of the organic waste bins will be postponed by one day. The same applies to the K to O paper bins and the A/V to E yellow bins.

The waste bins and yellow bins must be put out by 6 a.m. on the collection day. All information is available digitally and mobile [via the waste app](#) and can be transferred to your own calendar.
