Waste collection postponed due to Corpus Christi

Due to the public holiday on 4 June 2026, the emptying of waste bins will be postponed by one day

There will be no waste collection on Thursday, 4 June 2026. The emptying of bins will be postponed by one day. The organic waste bins, which are usually emptied on Thursdays, will be emptied on Friday. The collection date for yellow bins and paper bins will be postponed from Friday to Saturday.

The waste bins will be emptied on the usual days before the public holiday. The ESB waste advisory service would like to point out that waste bins must be placed on the street by 6 a.m. on the day of collection.

Reference to waste calendar

All dates are listed in the current waste calendar of the city of Bocholt. In addition, the ESB offers all information online, whereby the data can be customised to the respective street in the waste navigation system at the address www.bocholt.de/abfall-navi. For mobile use, the administration recommends the ESB waste app, which reliably reminds users of all upcoming dates via smartphone and keeps them up to date at all times.

If you have any further questions, please contact the ESB waste advisory service on 02871 953-34 34.
