"Night of Education" on 21 November / "Save the date"

© Wirtschaftsförderung Bocholt

This year, the Bocholt Economic Development Agency is once again working together with the other 16 municipalities in the Borken district and the Wirtschaftsförderungsgesellschaft für den Kreis Borken mbH (WFG) to jointly implement the district-wide "Nacht der Ausbildung". The core idea of the "Nacht der Ausbildung" is to bring together people interested in training and companies providing training through personal contact.

Get to know companies in the shortest possible time

Participating companies throughout the district are given the opportunity to open their doors at their own location and present themselves as a training company. Pupils, young adults and their parents are invited to find out about companies, their training opportunities and internships directly on site in a relaxed atmosphere.

An extra hour at the "Night of Apprenticeships"

Due to the high demand from those interested in training, the organisers have agreed to extend the "Night of Training" by one hour this year. This means that companies will be able to present themselves to those interested in training from 4 p.m. onwards and, conversely, pupils will have more time to visit various companies on their wish list. This year, the Night of Apprenticeships will take place on 21 November from 4 p.m. to 8 p.m. at all participating companies.

Further information will follow before the summer holidays and on the website

If you have any questions on site in Bocholt, please contact Astrid Lukas at the Wirtschaftsförderungs- und Stadtmarketing Gesellschaft Bocholt on 0 28 71 / 29 49 33 - 21 or [lukas\(at\)bocholt-wirtschaftsfoerderung\(dot\)de](mailto:lukas(at)bocholt-wirtschaftsfoerderung(dot)de). Detailed information will be announced before the summer holidays and can also be found on the [Night of Training](#) website.
