New Bocholt residents and returning Bocholders are cordially invited to a joint welcome on the market square during the evening market. We have been cultivating this welcoming culture for over 10 years and invite people to the heart of our Bocholt city centre - the market square in front of the historic town hall - at least twice a year.

Attendees are warmly welcomed by Ludger Dieckhues, Managing Director of Business Development / City Marketing Bocholt and Christian Mangel, Mayor of the City of Bocholt, and invited to a joint tour of the city with our experienced city guide and a convivial drink.

This year's summer event with city tour will take place on 11 June at 5 pm and is free of charge!

Registration is requested: www.bocholt.de/neubuerger
