#### Content

At the age of 26, Èlise is on the verge of her lifelong dream: to be a prima ballerina. However, after a serious fall, she must take new paths. From Paris to Brittany, where she finds new friends, a new love and the freedom to finally do what her heart beats for. "Enjoy all the lives that life gives you," her mother's quote accompanies her on her journey.

The film is directed by Cédéric Klapisch. Trailer and info at [www.kinodrom.de/detail/97986/Das%20Leben%20ein%20Tanz](http://www.kinodrom.de/detail/97986/Das%20Leben%20ein%20Tanz).
