Exhibition: "Schützenfest-abc" runs until November 17

Funny caricatures by Peter Menne in the gallery "Kö10"

Until November 17, the caricatures of the artist Peter Menne can be seen in the gallery "Kö10" (Königstraße 10-12, Bocholt). This is reminded by the cultural administration of the city. Menne deals in his drawings with the topic "Schützenfest". From A as in Antreten to Z as in Zündkerze, is represented there in a humorous way everything that is related to a Schützenfest.

The exhibition "Schützenfest-abc" opened in September and is part of the 800th anniversary of the city. The visit is free of charge. The caricatures on display invite smiles and focus on the special features of shooting festivals. The Bocholt shooting clubs participated in the preparation of the exhibition.
