VHS invites you to a whisky tasting at the media centre

The VHS still has a few places available for last-minute bookers for an evening event entitled "Irish Whiskey - The liquid gold of the Emerald Isle", which will take place on Friday, 8 March, from 7.30 to 10.30 pm. The venue is the Bocholt Media Centre (Alter Bahnhof), Hindenburgstr. 5.

There are many good reasons to discover a piece of Ireland for yourself. And you don't even have to travel far. Because one of them is its excellent whiskey. Triple distilled, pure pot still and its smooth flavour are just some of the attributes that make Irish whiskey so popular. On this tasting evening, whisky ambassador Stefan Weikamp will familiarise you with the special features and provide lots of interesting background knowledge at the same time.

Further information and registration at www.vhs-bocholt.de or at the VHS office in Bocholt, Südwall 4a and at the Rhede and Isselburg branches.
