RADTRENDS bicycle fair to be held at Aasee next year

Exhibitors can apply as of now

The popular RADTRENDS bicycle fair in Bocholt is casting its shadows ahead. The fair will change its location next year and will take place in and around the Freizeithalle Aasee.

"A beautifully located site with plenty of outdoor space," says City Planning Officer Daniel Zöhler. Slightly earlier compared to previous years is also the event date on the weekend of 23 and 24 March.

Anyone who would like to be an exhibitor at RADTRENDS 2024 can now secure a place in the exhibition hall or in the outdoor area early. "That makes sense, because the topic of cycling with all its facets is booming," knows environmental officer Angela Theurich. She accepts registrations by phone 02871 953-3268 and by e-mail [angela.theurich\(at\)bocholt\(dot\)de](mailto:angela.theurich(at)bocholt(dot)de).

City Planning Officer Daniel Zöhler (l.) and Environmental Officer Angela Theurich are already looking forward to the "Rad trends 2024" trade fair.
