"Wrench" workshop: Get your bike fit for the summer!

Free course for adults on Thursday, 16 May, from 5-7 p.m. at ROSE Biketown // Register now // Supported by STADTRADELN

As part of the nationwide "STADTRADELN" campaign, the city of Bocholt and ROSE Bikes are organising a workshop for mechanics. On Thursday 16 May, bike professionals from ROSE will show you how to repair and optimally adjust your bike. Participation is free of charge and is aimed at all cycling enthusiasts.

The experts from [ROSE](#) Bikes will be demonstrating how to patch tyres, adjust the bike with the right screws and repair it in their workshop live in Biketown on Werther Straße from 5-7pm. The number of participants is limited, registrations are required at https://news.rosebikes.com/schauberkurs_biketown_mai_2024.jsp.

The campaign is taking place as part of the Germany-wide [STADTRADELN cycling initiative](#), in which Bocholt, as a cycling stronghold, is once again taking part. CITY CYCLING runs from 1 to 21 May 2024 and summer is already in the starting blocks. "So now is the time to get your bike in shape so that nothing stands in the way of long bike rides", says Sascha Terörde from the city's Climate Protection Department.
