European Parliament invites young generation to Berlin trip

18-20 April for 16 to 30-year-olds // Get to know each other and exchange ideas at the "European Youth Event" // Register by 8 March

The European Youth Event, or EYE for short, will take place in Berlin from 18-20 April. 1,700 young people on site and 500 other participants can take part in workshops, discussions and cultural experiences. Bocholt residents between the ages of 16 and 30 can also register. Europe Direct Bocholt is now drawing attention to this.

Registration is possible online until 8 March at <http://tinyurl.com/bddhmmv4>.

The event is dedicated to the upcoming European elections and offers a platform to come into direct contact with political decision-makers, youth organisations and NGOs. The aim is to expand networks and work together on creative ideas to strengthen democracy, including sustainability initiatives.

Registrations for the coveted places at EYE 2024 are still possible until 8 March. The organisers recommend that interested parties register early.
