Neighbouring Dutch municipality of Winterswijk presents exhibition on "Sustainable building and infrastructure"

4-15 March at Stadtparkasse Bocholt // Citizens invited to the opening

Bocholt's neighbouring Dutch municipality of Winterswijk has been awarded the prestigious "European Green Leaf Award" in 2022. In this context, the travelling exhibition "Sustainable Building and Infrastructure" was conceived by the Dutch. It is now making a stop in Bocholt from 4-15 March and can be seen in the counter hall of Stadtparkasse Bocholt (Neutorplatz). The opening will take place in public on 4 March at 5 pm.

Opening of the exhibition

Due to the friendly relations between Winterswijk and Bocholt, the exhibition is being made available to the city of Bocholt free of charge. Interested citizens are invited to attend the opening. The Europe Direct Bocholt accepts registrations by e-mail at [europe-direct\(at\)bocholt\(dot\)de](mailto:europe-direct(at)bocholt(dot)de).

Arjan Klein-Nibbelink from Winterswijk will explain the exhibits and provide information on the "European Green Leaf Award". Bocholt's mayor Thomas Kerkhoff will present how the city of Bocholt is planning and implementing climate protection, sustainable construction and infrastructure. Following the presentations, there will be an opportunity to chat over drinks.
