Clemens Benning of the fire brigade celebrates 40 years of service

He started in the youth fire brigade as early as 1977.

Clemens Benning was able to turn his hobby into his main profession in March 1983. He is a calm, level-headed and very loyal person who has his strength in dealing with his co-workers in the service group, of which he has been deputy leader for some time.

Benning has many interests, including being a paramedic, a group leader, being involved with the height rescuers and as a district instructor for chainsaw courses.
