The Special Film - "Notre Dame in Flames"

Tuesday, 14 March // 8 pm // Kinodrom // Admission 6 euros

Next Tuesday, 14 March, the film "Notre Dame in Flames" will be shown at the Bocholt Kinodrom. The drama depicts the catastrophic scenes that took place in the famous cathedral, Notre Dame in Paris, in April 2019.

In this impressive reconstruction, the fatal coincidences that led to the biggest fire the cathedral had to experience are depicted. But the focus is above all on the heroic rescue of Notre-Dame by men and women who risked their lives for it.

The Bocholt fire brigade takes advantage of the cinema evening and invites the full-time and voluntary forces to this cinema event as a thank you for the work they have done. At the same time, visitors will have the opportunity to find out more about the work of the fire and rescue services at an information stand. In addition, vehicles of the Bocholt fire brigade will be set up in the outdoor area.
