FW Bocholt: +++Rain cell discharges over the Suderwick district+++

Bocholt Fire Brigade (ots) -

A heavy rain cell unloaded over the district of Suderwick. The main areas affected were Albert-Stolte-Straße and Wiggerstraße.

The fire brigade had to pump out flooded cellars in 9 houses. Some of the cellars were up to 40 cm under water. A total of 20 volunteers were deployed over a period of 5 hours.
