Music school

Music school invites you to mini-concerts

Audition week from 23 to 27 March in the LernWerk and in the orchestra room of the music school // Free admission

In the week from 23 to 27 March 2026, the Bocholt-Isselburg Music School invites you to its traditional audition week "Music School in Concert". Pupils will present their musical skills in numerous short concerts.

The auditions take place in the LernWerk Bocholt (Industriestraße 1) and the orchestra room of the music school at Kaiser Wilhelm Str. 54. They start on the hour. Several concerts will run in parallel - including in the large event hall on the first floor of the LernWerk, in the music school's event hall on the third floor and in other classrooms.

The programmes are deliberately interdisciplinary, so that visitors can look forward to a varied musical programme with different instruments and ensembles. The audition week offers pupils a good opportunity to gain stage experience and show off their skills in front of an audience.

Admission to all concerts is free. Registration is not required.

The programme in detail:
