# Corona: Municipal Vaccination Centre Bocholt

Fridays and Saturdays with appointment // First, second and booster vaccinations // Vaccines from Moderna and Biontech

In the municipal vaccination centre of the city of Bocholt on the market square (former savings bank building), vaccinations against Corona continue. Every Friday (4-6 p.m.) and Saturday (11 a.m.-1 p.m.), citizens can get vaccinated there to protect themselves and others from the spread of the virus. Appointments can be conveniently booked via the Chayns app (www.corona.chayns.de). People aged 12 and over can be vaccinated.

Vaccines from Moderna and Biontech are available. Please bring your vaccination book, identity card and a signed declaration of consent (can also be made on site). An FFP2 mask must be worn at the vaccination appointment. The KIB asks you to come to the booked appointment in order to avoid unnecessary contacts.
