Registration dates for primary schools in Bocholt

18 October - 3 November // Administration sends out documents

Parents whose children will be of compulsory school age in summer 2024 can register their children at a Bocholt primary school from 18 October to 3 November. The municipality is currently sending out the registration forms and an information letter to parents.

In it, the city of Bocholt provides information about the different types of schools, the admission procedure and the childcare services offered by the respective primary schools.

Parents are asked to contact the desired primary school to make an appointment. Registration must take place together with the child at the school. If you have any questions, please contact the school administration on tel. 02871 953-2450 or e-mail [kirsten.eiting\(at\)bocholt\(dot\)de](mailto:kirsten.eiting@bocholt.de).
