Sport: All grass pitches in Bocholt closed

Due to the current rainfall, all grass pitches in the city area are currently unplayable and therefore closed today, Wednesday 12 April 2023.

This was the decision of the municipal sports ground control of the ESB after checking the condition of the pitches on Wednesday morning.

The artificial turf and clay pitches are not affected by the closure.

*The municipal grass pitches are closed due to the weather, the city of Bocholt informs.
