Sport: All grass pitches in Bocholt closed

The current rainfall is leading to restrictions in sports operations: All grass pitches throughout the city are currently unplayable and therefore cannot be used today, Thursday, 9 November 2023.

This decision was made by the responsible employees of the ESB's municipal sports ground control department after checking the condition of the pitches on Thursday morning.

The artificial turf and grass pitches are not affected by the closure.

The city of Bocholt has announced that the municipal pitches are closed due to the weather.
