Sport: All grass pitches in Bocholt closed

Due to the current rainfall, all grass pitches in the city area are currently unplayable and therefore closed today, Thursday 23 March 2023.

This was the decision of the municipal sports ground control of the ESB after checking the conditions of the pitches on Thursday morning. "Unfortunately, the current pitch conditions do not allow for any other decision after inspecting the grass pitches," said the ESB.

The artificial turf and clay pitches are not affected by the closure.

The municipal grass pitches are closed due to weather conditions, the city of Bocholt informs.
