Sport: Closure of all grass sports pitches in Bocholt extended up to and including Thursday

Due to the bad weather, all grass sports pitches in the city area are still unplayable. The closure, which has been in place since Monday, will therefore be extended by two days up to and including Thursday, 30 November 2023.

"Due to the rainfall, the grass pitches are soaked and would be damaged if used," said the employees of the ESB's municipal sports pitch inspection service after checking the condition of the pitches on Wednesday morning.

The artificial turf and grass pitches are not affected by the closure.

The city of Bocholt has announced that the municipal pitches are closed due to the weather.
