Sport: Closure of all grass sports pitches in Bocholt extended

Due to the continuing poor weather conditions, all grass sports pitches in the city area are still unplayable. The existing closure will therefore be extended up to and including Thursday, 14 December 2023.

This decision was made by the ESB's municipal sports ground inspection team after checking the condition of the pitches on Wednesday morning.

The artificial turf and grass pitches are not affected by the closure.

The city of Bocholt has announced that the municipal pitches are closed due to the weather.
