Black Shopping Friday: city and taxi buses run into the night

Special timetable for the day of action // Buses run until 10.15 pm

For "Shopping Friday" on 24 November, when Bocholt offers a special shopping experience with extended opening hours until 10 pm, the StadtBus company has set up a special timetable. The city buses will run until around 10.15 p.m. on this day to enable visitors to travel to and from the shops in comfort.

The last bus departs from the Bustreff at 10.15 pm. The regular frequency of the StadtBus and TaxiBus routes will be extended into the evening, including route C13 (Industriepark), which will run according to the regular timetable until 10.30 pm. This has now been announced by StadBus Bocholt GmbH. This timetable extension is an important part of the event concept to ensure accessibility to the city centre during the shopping evening.
