Bridge works: Traffic disruption on Werther Straße

Road narrowing due to bridge works // 21 September to 12 October 2026

Due to bridge works, there will be a change to the traffic diversion on Werther Straße. The works will begin on 21 September and continue until 12 October.

In the affected area, the carriageway is narrowed on both sides of the road. Cyclists and pedestrians are also affected, as they can only use one side of the road within the works area.
