Traffic

Construction work in the Mosse 42 area

Repair work following a gas fault // 7 September to 2 October 2026 (provisional) // Road closed to motor traffic

From 7 September, a gas fault will be repaired in the area in front of Mosse 42; as a result, this section will be closed to traffic. The works are expected to continue until 2 October.

Pedestrians and cyclists can still pass through the area. There is no designated diversion for motor vehicles; they can use Drosselweg, Wachtelschlag and Reiherstraße.
