Traffic

Construction work: Traffic disruptions "In Kochs Weide"

Barrier-free expansion of a stop // Closure from 2 March 2026

From 2 March, the street In Kochs Weide will be closed to traffic. The reason for this is the barrier-free expansion of a bus stop capsule. Cyclists and pedestrians will still be able to pass through.

Please drive around the area. A diversion route has been signposted and the city bus will be travelling via Siemensstraße during the construction work.
